An alphabet is a standard set of letters (basic written symbols or graphemes) that represent the phonemes (basic significant sounds) of any spoken language it is used to write.

Alphabet - Wikipedia

The Georgian scripts are the three writing systems used to write the Georgian language: Asomtavruli, Nuskhuri and Mkhedruli. Although the systems differ in appearance, all three are unicase, their letters share the same names and alphabetical order, and are written horizontally from left to right.
