Original castle gates and doors – A Survey

A thematic history, survey and analysis of historic metal road bridges in Victoria, using a specially designed quantitate criteria system to rang historical, technical, aesthetic and social significance.

Metal Road Bridges in Victoria Part 1 -HISTORY OF METAL

The Pump Makers. These are the ones we've found so far - listed in alphabetical order (there will be more). It's become apparent that some installers simply affixed their nameplate to a pump supplied by one of the larger manufacturers, and inevitably some of the names we've listed are therefore not necessarily the makers of the ...
