The summer Jazz turns eighteen, a stupid favor will blur the lines from friends to lovers between her and Joey Butler, leading to a summer will change the course of their lives forever. Now for three years they've pretended there's nothing between them anymore and Jazz is finally ready to move on with the rest of her life and from what Joey did to her. But when Joey finally admits that ...

The Eversea books have been firm favourites of mine and I was very excited to be returning to Butler Cove. I do get a little nervous about side characters becoming the main show but Jessica 'Jazz' was so damn real and likeable because of her relatability, I needn't have worried. I found myself uninterested in Keri-Ann and Jack Eversea because I just wanted to devour the story of Jazz and Joey.
