jazz guitar fake book pdf

A fake book is a collection of musical lead sheets intended to help a performer quickly learn and perform new songs. Each song in a fake book contains the melody line, basic chords and sometimes lyrics – the minimal information needed by a musician or small group to make an extemporized arrangement of a song, or "fake it".

New Orleans jazz is played by heart and ear. You fake some good old tunes and improvise on the melodies and the chords they are built on. Most of the tunes are forgotten a long time ago, nobody ask for them, nobody should play them, and today they should have been almost useless if it hadn't been for a few persons and bands who love early jazz ...
