Unwelcome Guests Summary This lesson focuses on exotic and invasive species and their presence in Canada. The activity involves developing a Futures Wheel, a tool you can use to explore the environmental, social, cultural and economic impacts of introducing an exotic pest or invasive species. Note: A Futures Wheel is a graphic description of the interrelationships and impacts of a single ...

Unwelcome guests! The story starts back in 2011 when strange things started to happen on Achill island in Co Mayo. Achill is the largest island lying off the coast of Ireland. With miles of unspoilt beaches, spectacular cliffs and a breathtaking landscape dominated by Mt Slievemore in the north, it is both a popular tourist destination and an ideal place for anyone looking for peace and ...

If you want to get rid of unwanted house guests when they want to stay in your house, you may set some trick rules while you know the bad routines of them. You totally can set the limits when they stay at your house too long, of course, you should not speak out the impolite words, and instead, you may write down or talk with them about your rules in sleeping, living, bathing, talking, etc.
