Stages of Recovery The first step in the journey to recovery begins with a decision that life must improve. Having a mental illness can affect our lives in many ways: Our normal activities suffer; Intimate relationships can be profoundly affected; Friendships may be lost; We may lose employment and financial security.

[Here's me doing 16 pull-ups. Notice the grip and the full extension at the bottom.] Use proper form, activate the back, train often, use low reps and progress in weight (either with a weight belt, a backpack with weight plates or a dumbbell between your feet) as soon as it gets easier and you will be on your way to chin-up mastery.
