With winter upon us, we thought it would be fun to share a fun project of ours with you: snowflake designs with a Star Wars twist. We created the original set of designs in 2010 and now have the largest collection of designs and templates on the internet.

DIY Star Wars Snowflakes – Matters of Grey

Star Wars is an arcade game designed by Mike Hally and produced by Atari, Inc. in 1983. The game is a first person space combat game using 3D color vector graphics to simulate the assault on the Death Star from the 1977 film Star Wars.

Star Wars (1983 video game) - Wikipedia

Winter is upon us again. In a galaxy far, far away, again, there is a disturbance in the force, again. A crop of new faces, irresistible droids and funky looking lightsabers are popping up.
