Principles for the Validation and Use of Personnel

Please note that SIOP does not screen or endorse any particular educational programs, but lists only the programs that responded to the annual Graduate Training Programs in Industrial and Organizational Psychology and Related Fields survey or programs that have requested to be listed.

Graduate Training in Industrial-Organizational - siop.org

The Single Integrated Operational Plan (SIOP) was the United States' general plan for nuclear war from 1961 to 2003. The SIOP gave the President of the United States a range of targeting options, and described launch procedures and target sets against which nuclear weapons would be launched. The plan integrated the capabilities of the nuclear ...
