Van Gogh's Ear is a compelling detective story and a journey of discovery. It is also a portrait of a painter creating his most iconic and revolutionary work, pushing himself ever closer to greatness even as he edged towards madness – and one fateful sweep of the blade that would resonate through the ages.

### **Van Gogh's Ear : The True Story - Bernadette Murphy**

The best-known and most sensational event in Vincent van Gogh's life is also the least understood. For more than a century, biographers and historians seeking definitive facts about what happened on a December night in Arles have unearthed more questions than answers.
