Use the following template to cite a e-book or pdf using the Vancouver citation style. For help with other source types, like books, PDFs, or websites, check out our other guides.

### **Guides: How to reference a E-book or PDF in Vancouver**

the Vancouver style you don't have to include the author in your citation in the text of your work, but you still need to include an author in the full reference at the end of your work (see section 9).
