(PDF) Vedic River Saraswati mover of the nation's wealth

Saraswati is one of the earliest Vedic goddesses and was also worshipped as the ancient river Saraswati that flowed in Vedic times. The Nadistuti hymn in the Rigveda (10.75) mentions the Saraswati river as flowing between the Yamuna in the east and the Sutlej in the west (two rivers still flowing in north-western India).

Tracing the Vedic Saraswati River in the Great Rann of Kachchh

Coming together, glorious, loudly roaring, Saraswati, Mother of Floods. This is the description of the Saraswati River as written in the Rig Veda, a sacred collection of Vedic Sanskrit hymns dating back at least as early as the 2 nd millennium BC.
